

**CONSERVATION COMMISSION**  
**Minutes of Public Meeting, November 10, 2008**

**Attendees:** Lincoln Geiger, Honey Hastings, Bruce Kantner, John Kieley, Sean Radcliffe  
Absent: Chris Mackensen, Dave Repak

**Opening** at 7:05 pm

**Minutes** of Oct. 27<sup>th</sup> meeting were approved.

**Newsletter:** The Fall TCC Newsletter has been printed and mailed to Temple residents. The first responses have been very favorable. The Commission wishes to acknowledge and appreciate the major role that Connie Kieley has fulfilled, for the fourth year in a row, in gathering articles, laying them out, printing, mailing, and coordinating this Newsletter. Thank you, Connie! Thanks also go to members who contributed articles, to Tim Winship and Miki Collier for their articles, and to Barbara Kantner for help in editing.

Suggestions were made for next year's Newsletter to consider an earlier date of publication and continue with feature articles on Temple farmers. This will be a late winter agenda item.

**STATEMAP geologic mapping and water study:** Lincoln sent a letter to Dr. Wunsch, NH State Geologist, inquiring about funding possibilities but has not yet heard back from him. *Lincoln will call Dr. Wunsch next week if he doesn't receive a reply.* Lincoln did hear from Chris Covell that he was in a car accident this summer and is behind in his projects, but he does have the Temple water study in mind for 2009.

**Discussion on inviting new members:** The Select Board will be sending a mailing to residents in January announcing openings on Town Boards. *The TCC needs to compose a "job description" for this mailing and will work on this at the next meeting.*

**Sustainable Land Use Vision:** Lincoln briefly described some of the sustainable land use ownership ideas of Mr. Sienkiewicz, who lives in this area and has been meeting with Wilton officials. *Lincoln will contact him about the possibility of presenting his ideas in Temple.*

John reminded members of a **Glass Works cleanup** on Sunday, Nov. 16<sup>th</sup>.

Meeting ended at 8:05. **Next meeting on November 24th.**
