

Temple-Greenville Police Department

38 Main St., Greenville NH 03048

PO Box 156, Temple NH 03084

Chief James H. McTague

603-878-3474

Temple Residents:

There have been numerous burglaries in the surrounding towns including Temple, Greenville, Mason and New Ipswich. It appears the preferred items to be taken are copper, steel and scrap metals. Items frequently stolen are electronics, such as TVs, DVDs, game systems, tools and canisters of change. Some residences have been burglarized twice and it's difficult to retrieve items without the make, model and serial numbers. Please take a moment to document serial numbers of electronics and tools. Burglaries often occur during the day at premises which are unsecured. Make sure doors and windows are secure when leaving your residence. Temple-Greenville Police Department, in co-operation with Mason, New Ipswich and surrounding Police Departments, is working to cease these burglaries. If you observe suspicious activities or vehicles please report it immediately. It would be helpful if you observe suspicious activities to document things such as plate numbers, vehicle color, persons, etc. Thank you for your co-operation.

Sincerely,

James H. McTague
Chief of Police
