Regular Business

1. Subject: Kieley informed the Board that there are two possible arrangements regarding a consolidated bid for oil, diesel and propane purchases. The first is a joint purchase with the Towns of Dublin, Peterborough, Bennington, Hancock & Temple. The Town of Dublin is coordinating this bid. Temple paid Draper Energy \$2.349 per gallon for the last heating oil delivery received. The second option for consolidated purchasing would be for the Towns to buy in bulk with the Conval School District. Kieley will have more information on Friday, June 02, 2006. Move by Eddy to authorize Kieley to enter into a joint purchasing agreement to contract for heating oil, diesel fuel and possibly propane, if an immediate decision is required before the June 13, 2006 Board of Selectmen's meeting, second by Fiske and voted in the affirmative. The Administrative Assistant will contact Energy North Propane and Draper Energy to try to obtain estimates from the Town's present suppliers. The Board reviewed the revised building permit application from Mandel, M 05 L 039-7 for an auxiliary apartment. The revised plans meet the requirements of the zoning ordinance and the permit application was signed. The Board reviewed and signed a letter to Wendell & Amber Fisk regarding information for the operation of a "pancake house". The Board requested the Administrative Assistant compose a letter to Doug Guy, Jr. regarding the signs on his property for their signature. The Administrative Assistant informed the Board that Doug Guy, Jr. and his Attorney, Matthew Glavey, have requested an appointment for the 6/13/06 meeting. The A.A. also informed the Board that she had spoken to Attorney Drescher, who advised that the Board not meet with Mr. Guy until after they could review information with Town Counsel. The A.A. will send a letter to Glavey setting an appointment for the 6/27/06 meeting.
